

8th "IN... CANTO SUL GARDA"

International Festival and Choir Competition

Italy • October 8 – 12, 2009

An event of the MUSICA MUNDI series

8th "IN... CANTO SUL GARDA" "Singing together at the enchanting Garda lake"

The above motto is one way of summarising the double meaning of "In...canto" - "enchanted" and at the same time, "singing together". This is the name we have given to the festival, because it is also the perfect expression of what we hope to achieve with the event.

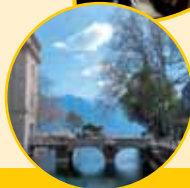

Every second October, the scenic town of Riva del Garda on the banks of the Garda lake plays host to a celebration of musical diversity. This internationally-renowned competition features various difficulty levels for choirs of all standards and includes different jazz, gospel, pop and folk categories.

The picturesque old town offers the perfect backdrop for the opening parade. One opportunity to experience an unforgettable evening is the chance to perform on the round stage of the modern San Giuseppe church. A host of churches and secular performance venues (including the Palazzo dei Congressi) offer participants the chance to join other choirs in the encounter concerts that make up part of the festival programme. Come and get to know singers from nations around the world and network with other choirs!

RIVA DEL GARDA - ENCHANTING LAKESIDE DESTINATION

The location of the town of Riva del Garda on the northern banks of the Garda lake offers breathtaking views of the lake and surrounding mountains. The town itself is worth a visit just to see its impressive architectural landmarks, including the 12th century fortress of Rocca di Riva and the baroque churches of Santa Maria Assunta and Chiesa dell'Inviolata. It's also the perfect starting point for trips to sights in the surrounding area, such as the Monte Brione and the Varone waterfall. So there is no shortage of activities to enjoy between your choir performances, whether in competition or simply as part of the festival programme.
