# 2<sup>nd</sup> International Choir Competition in Malta

## Festival of Sacred and Secular Music

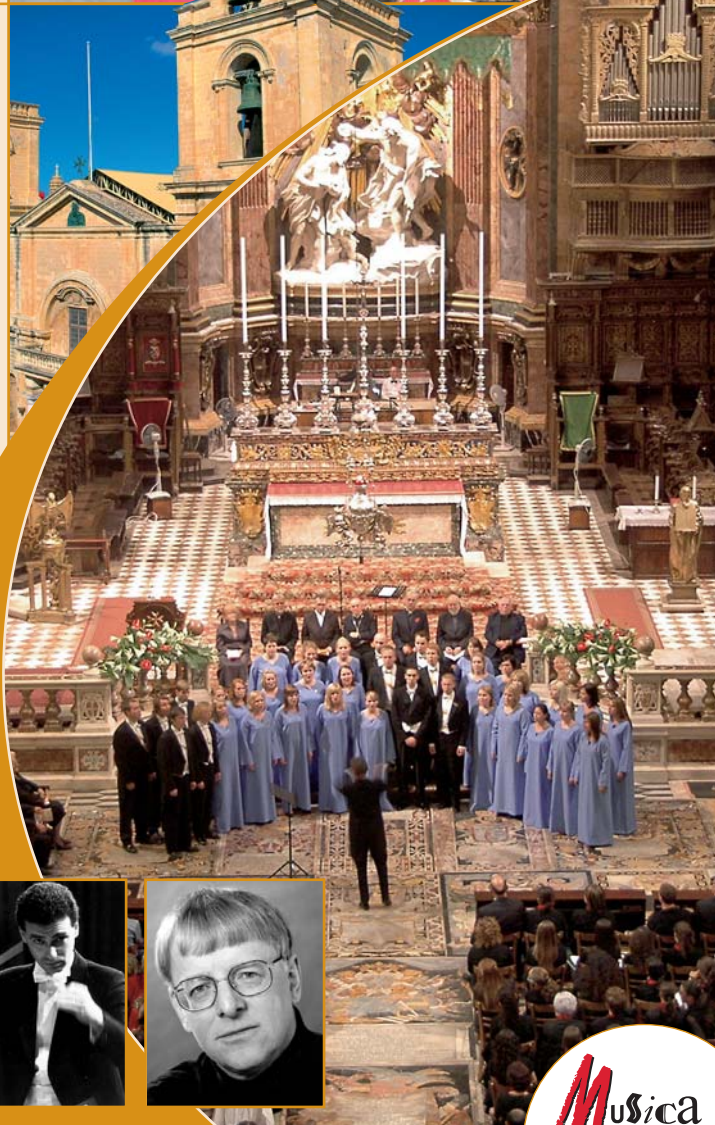

Song and celebration take a central place in life on Malta, where choral music and joie de vivre are writ large. Come and join the celebrations and enjoy a unique personal experience in Malta!

We happily leave it up to you whether you and your choir come to Malta to take part in the festival or the workshops or to participate in competition.

Either way, a unique festival and a choir competition of the highest standard await you, with both sacred and secular music.

You will get the opportunity to meet choirs from different nations, cultures and religions and enjoy unforgettable times singing with them in joint sessions or taking part in peaceful competition. Take the chance to

- participate in the festival's encounter concerts with participants from all over the world
- attend workshops, joint rehearsals and singing sessions with recognised experts in choral music, e. g. Carmina Šilec (SLO), Michael Laus (M), Robert Sund (S)
- join us in an ecumenical service for "Peace on Earth"
- take part in the "Grand Concert" with the Maltese "Orkestra Nazzjonali", directed by Michael Laus
- participate in competitions for choirs of all standards in sacred and secular categories
- attend the prize-winners' concert and closing ceremony

MUSICA MUNDI® is synonymous with first-class international choir competitions and festivals and is one of the biggest and most successful cultural event series worldwide.
