... Connecting bridges

The first INTERKULTUR International Choir Competition in Budapest, held in 1988, was the start of one of the largest and most successful series of cultural events in Europe. The INTERKULTUR Event Series has meanwhile become known throughout the world for its high artistic and organizational standards and as a concept for the choirs and choir enthusiasts worldwide. These events are organized by INTERKULTUR, a non-profit organization based in Germany.

INTERKULTUR´s biggest success to date was to bring the antique Olympic idea to the choral community. The Choir Olympics 2000 in Linz, Austria was the beginning of a Choir Olympic movement, with subsequent events in Busan, Republic of Korea in 2002, and Bremen, Germany in 2004. This success continued under the name “World Choir Games” in Xiamen, China in 2006, Graz, Austria in 2008, Shaoxing, China in 2010, and Cincinnati, USA in 2012. In 2014, the World Choir Games were held in Riga, Latvia and marked the biggest event in the history of the choir Olympic idea attracting 27,000 participants. In 2016, the World Choir Games will come to the Olympic city of Sochi in Russia.

Another milestone in the history of INTERKULTUR was to establish a World Championship for choirs. The first World Choir Championships debuted in 2009 in the Province of Gyeongnam, Republic of Korea, followed by the World Choir Championships for Youth and Young Adults in July 2011 in Graz, Austria. Graz again was the host city for an INTERKULTUR event, the first European Choir Games and the “Songs of Spirit Festival” were held in July 2013. The second edition of this European version of the World Choir Games was held in Magdeburg, Germany in July 2015, the 3rd European Choir Games will happen in the Latvian capital Riga in 2017 along with the “2nd Grand Prix of Nations”.

The Idea

INTERKULTUR has become the symbol for a unique artistic idea, consisting of a new interpretation concerning the execution of choir festivals. In comparison to traditional meritorious choir competitions that only invite international elite choirs to take part; the INTERKULTUR competitions are open to all non-professional choirs. Choirs from all over the world, interested in gaining international festival and competition experience, can compete according to their level of artistic achievement. The Artistic Committee puts emphasis on the presence of the highest level of choral performers as well as on the presence of the greatest diversity of choirs in all competitions. This new type of competition has been copied by numerous organizations in the past two decades. With the idea to organize the World Choir Games, formerly known as “Choir Olympics” biennially, INTERKULTUR has opened a door to new impulses and perspectives for the national and international choral movement.

The Quality Seal

For more than 20 years, MUSICA MUNDI® has been the exclusive quality seal for all INTERKULTUR events worldwide. The evaluation system on which all INTERKULTUR competitions are based upon since the first event in Budapest in 1988 have been improved continuously. MUSICA MUNDI® ensures comparability among all events, a smooth organization and has set standards in the world of choral music.

The Competitions

There are various categories for all types and levels of choirs in different degrees of difficulty, with or without compulsory pieces. The competitions offer good competitive conditions, valuable artistic contacts, various workshops and seminars, as well as practice opportunities with international performers. More than 200 experts and leading choirmasters from all over the world guarantee a high level of expertise in all INTERKULTUR events.
Evaluation System

The jury awards Bronze, Silver, and Gold Diplomas on 10 levels at INTERKULTUR competitions along with Bronze, Silver and Gold Medals at the World Choir Games, the World Choir Championships and the Grand Prix of Nations, according to the MUSICA MUNDI® evaluation system. In each category, a winner or champion is determined and outstanding achievements are honoured with special prizes. In some competitions there is a grand prize competition of the category winners which determines the overall winner of the competition.

The Pedagogical Concept

INTERKULTUR events are not only competitions and international choir festivals, but also provide professional competence. Choirs are able to receive feedback from various pedagogical offerings. In evaluation rounds, choirs have the chance to work with international jury members and gain advice on their current level of achievement, receive proficient pedagogical and artistic information and obtain suggestions as to how to interpret the chosen piece. Choirs may also attend workshops and seminars along with participation in Friendship and Celebration Concerts which allow international choirs to interact with choirs of the host city during INTERKULTUR events.

Locations of Festivals and Competitions

To date, INTERKULTUR events have taken place in Austria, Czech Republic, Germany, Hungary, Indonesia, Israel, Italy, Malaysia, Malta, People’s Republic of China, Republic of Korea, Spain, Sweden, USA, Vietnam and Serbia. In 2015 also Greece will fill a gap on the map of INTERKULTUR events.

The Participants

In total, more than 7,900 choirs with roughly 352,000 active singers from 100 countries have taken part in the INTERKULTUR competitions to date. An interesting note is that more than half of the participants have been children and youth up to 25 years of age.

Means of Support

In accordance with its statutes, INTERKULTUR supports the following activities:

- International music festivals and choir competitions whose goal is to bring together choirs from different regions of the world and encourage international collaboration through mutual respect, as well as to contribute to cultural exchange and understanding among nations
- Children and youth choirs even from financially challenged countries
- Non-professional choirs that focus on the growth of youth development
- Young, talented choirmasters, young musicians and singers through the support of scholarship awards
- Specific sponsorship opportunities

European Culture Award

INTERKULTUR was awarded the 2006 European Culture Award, by former German Minister of Foreign Affairs, Hans Dietrich Genscher and presented by KulturForum Europa, for its activities on behalf of understanding between peoples and furtherance of common European thinking in the field of culture.

Paul Phoenix
Lecturer

Paul's long career in the music business began in the 1970's as a Chorister in St. Paul's Cathedral Choir in the City of London. He sang in the Queen's Silver Jubilee service in 1977 and recorded the Ivor Novello award-winning theme 'Nunc Dimittis' by Geoffrey Burgon, in the BBC adaptation of John Le Carre's 'Tinker Tailor Soldier Spy' in 1979, for which he was awarded a gold disc.

His musical education continued at the Royal Northern College of Music, in Manchester, England, between 1986 and 1991. After six years as a freelance tenor, Paul joined the King’s Singers in 1997 and over the next seventeen years and 2000 concerts sang in many of the world's greatest concert halls, from Sydney Opera House to Carnegie Hall in New York, and travelled as far as Chile and New Zealand, Russia, China and South Africa, with too many places to mention in between! As well as a packed concert schedule, King's Singers recordings continue to be released to critical acclaim, and in 2009 Paul was awarded a Grammy as co-producer and soloist on the album, 'Simple Gifts', as well as performing on the 2011 Grammy-winning recording, Light and Gold', featuring works by the American composer, Eric Whitacre. In 2013, the King's Singers were also voted into the 'Gramophone Hall of Fame'.

2014 marked his 'retirement' from the King's Singers and the launch of 'Purple Vocals: Perform and Engage', Paul's coaching and engagement consultancy.

His work continues to take him around the world, with recent visits to Colombia, China, across Europe and the USA and tours to Australia and Taiwan as soloist, speaker, presenter, vocal and performance coach. Paul lives in Cambridge, England with his wife, Helena and two teenage sons, William and Edward.

It will be a highly interactive workshop that needs no preparation from the side of the participants and is open for any type of singer. Participants will get a handout with Tips for singing, rehearsing and performing in Vocal Pop and Jazz Choir and Ensemble style.

Paul Phoenix
Ensemble Coaching, Rehearsal Techniques, Presentation & Performance

Date: November 6, 11:00h, Shunde Performing Arts Center Music Hall

The seminar will draw upon Paul's vast experience of over 2000 concerts and 17 years as a tenor in the world-renowned Grammy-winning The King's Singers, and will cover a range of subjects with additional focus upon presentation, language skills, and of course the joy of communication through singing. In his seminar Paul Phoenix will not only focus on ensemble coaching, rehearsal techniques, presentation and performance but will also give specific, targeted assistance on preparation for choral competitions and Festivals.
Katalin Kiss
Vocal training in relation to musical styles

Date: November 7, 11:00h, Shunde Performing Arts Center Music Hall

A stylistic interpretation which reflects the understanding of the musical language of the composer, and shows awareness of the social and emotional context of the piece gives great joy to the listener and awakes a desire to sing together with the choir.

In competitions where the singing in various styles is part of the regulation, and basis of evaluation the competency results high marks, but the deficiency of stylistic knowledge can be a great handicap.

As a well-conditioned athlete needs the ability to play different sports, the well trained choir singer may need the potential to sing different styles. A good vocal coach (he/she can be the conductor or a voice trainer) emphasizes not only the pure voice technique, the correct breathing or the diction but also make the singers able to apply their knowledge about voice as an instrument to the style that they intend to sing.

The workshop introduces both general and particular vocal exercises in order to help choirs to sing various styles. Excerpts will be taken from a great spectrum of choral literature including early music, folk style, classical art song as well as our time’s vocal art.

The Manado State University Choir, from the province of North Sulawesi, a mixed-voice chamber choir has been acclaimed for its remarkable artistry, capacity to move an audience, and beautiful sound. The choir’s versatility is astonishing, performing a wide range of repertoire, from early music to contemporary pieces of the Western canon, from traditional Indonesian music with choreography to popular music, and Southeast Asian choral music.

MSUC redefines choral and traditional music by creating cross-cultural and time-sensitive bridges. Traditional songs are transformed from simple melodies into lush, complex harmonies; traditional gestures form the basis for contemporary choreography, and Indonesian music from its many islands are collaged with Arab, African, and Western classical music. MSUC reimagines choral music as a contemporary convergence of cultures expressed in drama, dance and song. Thus, MSUC represents not only the country of Indonesia but in a more complex sense, new directions in choral music worldwide. As an ensemble of the contemporary world, MSUC endeavors to build bridges to other cultures and communities and to participate in the creation of a peaceful, nonviolent world, in which music and cultural life can flourish for all.

Previous international tours have resulted in several prizes and awards including first prize at the international competition in Warsaw. MSUC has undertaken successful engagements in Austria, South Korea, China, Netherlands, France, Poland, Sweden, and Sri Lanka.
The Junction is an a cappella vocal group from The Netherlands, formed by five devoted vocalists. They share a passion for vocal harmonies and tight rhythms, while translating modern songs and classics into their own compositions. Their voices are used as strong and expressive instruments, switching from modern jazz harmonies to crazy hip hop beats, and from dazzling solos to tight vocal percussion.

In 2013 The Junction performed at Vokal Total Festival in Graz, winning the award for Best Jazz Arrangement for Singin’ in the Rain. In September they went on a concert tour in South Korea and to top off the year, the group was support act for band Handsome Poets’ national Club Tour. In 2014 the group toured with Dutch symphonic orchestra Ricciotti Ensemble, and hit a wide variety of stages. The Junction was also invited to perform on several a cappella events in Germany, slowly building up their fan base abroad. This year is one of more international trips and concerts. At the start of 2015 the singers were invited to perform at the ITB International Choir Competition in Indonesia, where they toured, gave concerts and master classes. In May, the group won the prestigious international vocal group competition at the Aarhus Vocal Festival in Denmark.

Recently, The Junction has recorded its debut album, which was released October 9th 2015.
The USC Choristers is an organized singing group of students coming from the different colleges of the University of San Carlos. It aims to promote cultural awareness among the students through opportunities where the musical talent can flourish, and to inculcate the appreciation of fine arts, especially the love for music, in their minds and hearts.

For almost 40 years, the USC Choristers was performing under the assiduous efforts, patience and direction of the late Professor Ricardo G. Narciso, Jr.. They owe their basic to Mr. Stanley Munro, an American instructor at the university.

In 2013, the USC Choristers was examined and passed with Distinction Intermediate Choral Singing by The Associated Board of the Royal Schools of Music of the United Kingdom. Their choir pieces were Salmo 150, Ave Verum and If Ye Love Me.

In the year 2014, the choral group took part on one of the biggest productions the University has ever done, the “Facets of Love,” a musical, which staged 8 Disney movies at the USC South Campus Cultural Center.

This year, 2015, the USC Choristers will be celebrating its 50th year of existence.
The YCA Teachers Ensemble was founded early 2014 as a platform for teachers at the Young Choral Academy (YCA) to come together for weekly choral sessions and to receive teaching support as a group.

All singers in this ensemble are tutors of the Kuala Lumpur Children’s Choir, which is based at the Academy, and come from a variety of musical backgrounds.

This young, fun-loving and energetic ensemble features regularly in the Children’s Choirs end year concerts and is always up for a good musical challenge. This year’s Sing’n’Joy event in Shunde, China will be the ensemble’s first ever festival and overseas performing experience.
