COMPETITION RULES

GENERAL RULES

- a) All non-professional choirs are welcome to compete in this event. With the exception of the conductors, its members must all be amateurs, e.g. they are not allowed to earn their livelihood by professional singing.
- b) In categories with age limits, a maximum of 20% of the members may exceed the age limit by 5 years. The organizers reserve the right to check the ages of the singers.
- c) The order of performances within a category is scheduled at random.
- d) INDIVIDUAL CONCERTS AND PERFORMANCES: During their stay the participating choirs are not allowed to give further concerts or performances without the organizer's approval in advance.

MULTIPLE PARTICIPATION

- a) Individual choir members may participate in smaller ensembles formed out of their primary choir but may NOT sing in more than one primary choir.
- b) All choirs may participate in only one of A, B, C, G.
- c) In addition, mixed choirs can participate with their male or female voices in the same category (i.e. category A1+A2). Choirs may additionally choose to participate in categories S, F and SP independent of their participation in A, B, C or G.
- d) Conductors are permitted to conduct only one choir per category, however conducting in different categories is allowed. Exceptions are categories A2 and B2. A choir may also perform with several conductors.

MUSIC

- a) The Artistic Committee decides on the admission of the program to the competition. The approval of the Artistic Committee is usually not given when it comes to opera choirs or when the character of the composition conflicts with a choral interpretation (such as "Nabucco - Prisoners' Choir" by Giuseppe Verdi edited for children's voices, "Träumerei" by Robert Schumann edited for choir). In addition, none of the programs may include topics such as war or glorification of violence and may not be against other nations and nationalities.
- b) It is **NOT** permitted to sing the same pieces in different categories. Separate repertoire pages should be filled out for each category of competition for registration

- c) Some categories require a composition which does not originate in the COUNTRY, LANGUAGE AREA OR CULTURAL ENVIRONMENT of the participating choir. Examples of compliance:
- ✓ Choirs from English-speaking countries should choose compositions written in a different language.
 - ✓ A Choir from a Baltic Country (Latvia, Lithuania, and Estonia) should not sing a composition from another Baltic country even if the two countries naturally have different cultures and languages.
 - ✓ A choir from a Slavic country should not select a work from another Slavic nation, even if the two countries naturally have different cultures and languages.
 - ✓ A choir from Latin and South America should select a piece that does not come from the same region.
- d) The use of ORIGINAL COMPOSITIONS (categories A and C) means that a piece must be performed in accordance with the composer's original score. Compositions prior to and through the Baroque era may be performed in variations of scoring that correspond with the original musical material. The arrangement of a composition is permitted if it has led to a new composition. The Artistic Committee reserves the right to reject compositions
- e) In categories A and C only ORIGINAL ACCOMPANIMENTS are permitted, which means that any reductions in orchestration or transcriptions of other instruments that were not planned by the composer and do not have an accepted performance tradition are excluded from the competition.
- f) ACCOMPANIMENT means that at least one pitched instrument is used. In categories requiring a cappella selections, a maximum of three instruments without definite pitch may be used (percussion instruments).
- g) AMPLIFICATION: In all categories any kind of amplification of voices and instruments is not permitted. In rooms with poor acoustics, the organizer can use miking and amplification, which supports but does not dominate the performance of the choir. This, however, will not result in solo microphonation of the choir or of instruments.
- h) CHANGES OF KEY: If the choir wishes to change the key, the jury must be informed in writing if a choir wishes to change the key from what is written in the printed score prior to the competition.
- i) After APPROVAL OF PROPOSED PROGRAM by the artistic directors, it will be returned for final review and confirmation by the respective choir. The choir must respond within 14 days of delivery with any changes to the program. If there is no response within 14 days, the program will be considered final; therefore neither titles nor performance order may be changed. Changes made without informing the organizer will result in a disqualification. Choirs are responsible for possible performing rights of their program.
- j) ACTUAL SINGING TIME: Actual singing time is the duration of the performance time only. It excludes entrance, exit, and applause.

SHEET MUSIC

- a) 5 scores of every piece must be submitted with the registration forms.
- b) Scores submitted must conform to internationally recognized sheet music standards (five lines of notes).
- c) Scores that do not bear the titles, names of composers etc. printed in the Roman alphabet must bear a transcription into the Roman alphabet (clear handwritten notes suffice).

- d) One score remains with the organizer after the competition. Remaining scores may be collected from the organizer after the awards ceremony. Uncollected scores will not be sent by mail.
- e) No scores have to be submitted for gala or friendship concerts.
- f) Please note that published choral compositions may only be sung using the original scores or authorized copies. The use of unauthorized copies or handwritten copies is not allowed! All scores must be sent by mail as hardcopy. Scores sent as files (PDF or similar) will not be accepted.
- g) If your scores are published as score book, please submit only one book but preferably authorized copies.

MUSICA MUNDI® EVALUATION SYSTEM

- Choirs will be evaluated by international acknowledged choral experts in accordance with the general MUSICA MUNDI evaluation system (30 point system). The decision of the jury cannot be contested.
- The performance of each choir will be evaluated according to the following:
 - I) Technical Evaluation
 - a) Intonation
 - b) Sound Quality
 - II) Artistic Evaluation
 - c1) Fidelity to the score in general categories or
 - c2) Interpretation Practice (Categories Jazz & Pop) or
 - c3) Authenticity in folklore categories
 - d) Overall Artistic Impression
- Example of score sheet in categories with fixed number of pieces:

	a	b	c	d
Piece 1	25		22	
Piece 2	27		26	
Piece 3	23		25	
Piece 4	26		24	
Criteria a & c = average of 1 - 4 Criteria b & d = points given for the overall performance	25.25	26	24.25	24
Total Score (average)	24.88

	a)	b)	c)	d)
Piece 1 - ...				
Single criteria	26	26	24	24
Total score	25			

- The jury decides first whether a choir may be qualified for a diploma or not. Choirs receiving no diploma will get a certificate of participation. Choirs that may qualify for a diploma will be given a score between 1 and 30 points.
- The final result is made up of the average of all given points or by the average of the intermediate results respectively.
- In categories for which the number of pieces is not determined, the jury will evaluate only the overall performance according to the above mentioned criteria.
- Category winner is the choir who gained the highest number of points over 20.50 points. In case of a draw or a difference of less than 0.1 points, the jury will determine the category winner by taking a vote. In case no choir gained the 20.50 points (Gold1), no one wins in this category
- If a choir exceeds the maximum singing time, their final result will be reduced by jury decision

According to the score, Bronze, Silver, and Golden Diplomas will be awarded. In the event the choir does not achieve a diploma, the choir will receive a certificate of participation.
