Where singing meets enjoyment

A special amount of me-time, getting away from the daily routine and enjoying a place of rich local traditions, delights and pleasure: This is what the Voices & Wine choral events are all about.

Indulge yourself 5 days full of great food and wine tasting along with distinguished conductors, new music and a joint choral celebration. Experience unique moments of conviviality with your choir that will resonate for a long time.

Málaga with his sweet grapes is a popular Spanish wine region. The Andalusian sun lets them grow in the hills close to the sea. Part of this Voices & Wine event will be also the visit of Ronda with its Plaza de Toros, one of the ancient Spanish bullrings.

Come to Málaga and relax and taste the local wines with some tapas, before going to sing your concert. The local choral scene will be present as well to let you feel at home, give you tips on the food and wine tradition and, of course, to sing together.

*Registration deadline:
July 20, 2020*
