HIGHLIGHT

WORKSHOP WITH PAUL SMITH (VOCES8)
This event marks an exceptional highlight in INTERKULTUR’s choral event calendar: A true celebration of the joy of music, singing and friendship surrounded by Vietnam’s legendary atmosphere.

The event has got a tremendously positive response from the recently invented activity – the farewell choir party and the Hoi An Legendary Night. In this magical night choirs get together to sing and dance, colorful lanterns are lightened throughout the city and local food is served.

The competitions in 13 different categories take place directly at the waterfront: The Hội An Beach Resort is located directly between river and sea and provides a paradisiac, palm-fringed backdrop to the event.
