SINGING IN THE MIDST OF MOUNTAINS AND LAKES

Set in the charming scenery of the Salzkammergut and breathing the inimitable flair of a spa town made famous by the stays of the Austrian imperial family, every performance of a choir in this city becomes a unique artistic and cultural experience. In addition to the competitions, everyone is invited to join the cheerful encounters between the choirs and the visitors of Bad Ischl in the form of celebration and friendship concerts as well as church services accompanied by choral music.
