THE SUNNY ISLAND INVITES TO SING

Numerous venues, short walking distances, a historic city center and manifold touristic sights within the region of Trieste and Venice make "The Sunny Island" Grado stand out as a perfect meeting place for international choirs. Special highlights for singers are appearances at the basilica Sant' Eufemia in Grado and the basilica in Aquileia.

Pedagogical offers such as artistic Evaluation Performances or rehearsals with international choral experts provide a perfect opportunity for choral education.

Grado offers all participating singers optimum requirements to get to know new cultures, to establish intercultural friendships and to feel at home.
