Kalamata, Greece

4TH KALAMATA INTERNATIONAL CHOIR COMPETITION AND FESTIVAL

SINGING IN THE LAND OF GODS

The combination of sea, mountains, vine and olive trees make Greece a place where singers from all over the world have felt mostly at home since years.

Located on the Southern Peloponnese Kalamata is a wonderful host for a choral event that combines the advantages of an international choral competition with various concert opportunities in a culturally diverse city.

The special feature of this festival is an easy going gathering of different nations just in the middle of the wonderful setting of South East Europe.
