Sing'n'Pray Kobe

“Those who sing, pray twice!” Related to this famous sentence by St. Augustine the international choir festival & competition in Kobe, Japan takes place under the banner of “Sing’n’Pray”.

The core of “Sing’n’Pray Kobe 2022” is once again, just as it was in its first edition in January 2018, the great “Pray from Kobe” concert with more than 600 singers in the beautiful Kobe Bunka Hall.

In 2022 international choirs are once again invited to join this joyful celebration and sing and pray for the people and for peace on earth.
