THE KOREAN CHOIR GAMES OF PEACE

After 20 years, the World Choir Games are coming back to Korea: The city of Gangneung, located in the Gangwong province, is the second Korean city after Busan in 2002 to host the world's largest international choir competition.

Korea has a vibrant choral scene, which is highly valued in the country and received strong support from politics and community. The country regularly sends its choirs to participate in the World Choir Games – and often return with impressive success.

The host city of the 2022 World Choir Games, Gangneung, is known for its breathtaking location by the sea in front of fantastic mountain scenery. The Olympic Park and the Ice Arena were also venues for the 2018 Winter Olympics and are centrally located in the city. A unique opportunity to breathe real Olympic air here during the World Choir Games 2022!
