## **NEW! INSPIRING! NON-COMPETITIVE!**

INTERKULTUR's new project combines your wanderlust and your love of music. The ON STAGE event series is ready to check off your list of must-see cities and will do so while providing all the comforts of a non-competitive choral music event and the opportunities and delights of a tourist tour around local traditions, culture and history....and, yes, also around local fun. Worldwide landmark cities like Tel Aviv, Verona, Florence, Tirana, Lisbon and Prague these first-rate destinations will be your stage and heaven for the 4-day events which will revolve around friendship concerts, touristic tours, workshops and celebration.

The events are designed for all those who wish to combine their music with travelling, learning and experiencing of new destinations.

The schedule will include touristic activities (i.e. sightseeing), short concerts in touristic places (churches, halls), a workshop with a local choir and a joint concert of all the participants.
