

PRAGUE IS YOUR STAGE!

Prague is the choral trip your choir will thank you for!

The city has never failed to make even the most skeptical traveler fall in love with it! The city streets, scarcely touched by the twenty-first century – or the twentieth or the nineteenth – with colorful baroque buildings, Gothic churches and imposing castles, will make the perfect setting for your choir's street performances.

It is no wonder that Prague has been described as a diamond among pearls and as the Paris of the gos. Nicknamed "the City of a Hundred Spires," the ancient splendor and beauty of Prague have made it the most picturesque city in the world.

Whether it is singing in the Old Town Square, the dreamy Charles Bridge, or the St. Vitus Cathedral, your choir's performance will leave an everlasting impression in your memories. Add to this the evening boat ride with your fellow choir members and new friends, and that is the perfect ending to a fabulous choral weekend!

ON STAGE in Prague brings all this experience for your choir. As part of the ON STAGE Event Series, this festival brings together international and local choirs for some great singing, touring, learning and performance opportunities.

Running from Thursday to Sunday, the event creates a pleasant haven for participating choirs to meet and make friends, sing and explore the city, learn a few Czech songs, perform in a special Bohemian church and celebrate it all with delicious traditional food.

ON STAGE in Prague will keep you and your choir wonderfully entertained.

Let's go ON STAGE!
