WELCOME TO THE 'SINGING CITY'!

On the East Coast of England, with beautiful historical buildings, lively entertainment, bustling shops, traditional pubs and tasty restaurants, Yorkshire's only waterfront city of Hull is a hidden treasure.

It's for the first time that INTERKULTUR is organizing an international choir competition on English territory, a country where the choral art is deeply rooted in its musical life and traditions, especially through its cathedral and chapel choirs.

As a city with a rich choral history, from early church music to modern initiatives with a focus on outreach and inclusivity, Hull is eagerly waiting to welcome choirs from all over the world to this 'singing city.'
