A UNIQUE CHORAL FESTIVAL WITH A RICH CULTURAL PROGRAM

Welcome to the International Chorfest Magdeburg – a festival where choral music and international connection come to life! In late summer 2026, choirs from around the globe will gather in the historic birthplace of Baroque composer Georg Philipp Telemann to celebrate their shared passion for music.

The Chorfest Magdeburg has long been a beloved event in the German choral community, successfully organized by the Choir Association of Saxony-Anhalt. This year, the festival will be enhanced by an international INTERKULTUR choir competition, offering an exciting platform for choirs from different countries to showcase their talent.
