

YOU ARE MUSIC

Lyrics by MeeAe Cecilia Nam

E- he he yiya - no-rae-hae (*let's sing*)
heoyia -
E- heyia- heoyia- ha-
E- heyia- eoyia- la- diyia-

Sometimes the mist pervades your way,
And your aching hearts want to flee
But, I have the key to Magic
To turn the darkness to the light

I gently sing (I gently sing), I gently sing (I gently sing)
I gently sing (I gently sing), I gently sing (I gently sing)

When your souls are weary and lost
And your heart shadowed by doubt
But, I have the key to Magic
To bring dreams to the hopeless

And I can sing (And, I can sing), And I can sing (And, I can sing)
And I can sing (And, I can sing), And I can sing (And, I can sing)

With music, no nights are dark
With voices, no days are long
You give wings to the mind
And, I must sing

You are Music (let it be the light), You are Music (no fear will stop me)
You are Music (let it be the light), You are Music (the guide of my life)

E- heyiya- heoyia ha ha
E- heyheyia- eoyia- la- diyia-

You make me hope
You make me sing, the dream,
Dreams of love and life

Let the sky and the endless sea
Shout with a note
Shout, all you nations

Deong deong deong deogideok, deong deong deong deodeok
Deong deong deong deogideok, deong deong deong deodeok
deong gi deong gi deok, deong gi deong gi deong deok

You are Music, Power of my soul
You are Music, Guide of my life

You are music, You are music
Music
Be the light
